Retha Hope, UPTE-CWA 9119
Officer and Steward wins back
pay for wrongful suspension by Campus
Purchasing Management.
*Actions for Retha's wrongfully-denied

From Hearing Officer Charles Maxey s Decision:

"It is one thing to assert (accusations)... it is another thing to prove them." (page 12)

"It is difficult to understand why *management made no effort* to investigate these... [claims]..." (page 14)

"Investigating... allegations...by providing at least one employee with a *pre-packaged* version of what management claims occurred *is simply deficient*...to build a credible record..." (page 14)

"So, what we are left with, in comparing allegations against proven facts, is a serious question as to whether management acted reasonably..." (page 14)

"The department failed to adequately investigate...[the claims against Ms Hope]..." (pages 14 and 15)
