Re: *Beryllium Work*

Dear Mr. Wolford:

The Union and the Employer agree to follow safe practices concerning work with and around beryllium as presented in ES&H Document 14.4 "Working Safely with Beryllium" and ES&H Document 2.2, Section 2.4.2.3 "Safety Pause or Stop Work."

The Union will be noticed of any significant changes to the document within a reasonable period of time prior to implementation and the Employer agrees to meet and discuss those changes at the Union's request.
